

The Car Club

# Beano

March 1999

Second Edition

Norm & Don

**H**ello fellow masochists and welcome to the second edition of the Beano. Not a great deal has happened since the last publication except for:

1. Lots and lots of rain
2. A well attended meeting
3. The annual Xmas dinner held in February (on Fixa Trabant-Eve) at Romeo's in Nanaimo.

Now, hands up all those who were told 7:00 - 7:30 as the start of the dinner. Right! Now all those who were told 6:00 - 6:30!!! Aha, I told you we weren't late!!!

It was wonderful to see so many club members at the dinner, I didn't take a head count but it must have been nearly 100% turnout. Unfortunately arriving late, (or at least the time we were told to arrive) left little time for conversation so I don't have stories to tell or people to rat on.

Well, I for one am looking forward to our first club outing, Margaret and I have already braved the February climate in "Noddy". Hopefully the weather will oblige and we will have a great time. It should also be interesting to see what changes have been made to our cars in the winter months and to meet some new members who will be joining our happy band of "Beano" nutters.

**Don't forget to make an extra effort to be in attendance at the A.G.M. at Qualicum on May 29th and 30th, it's our section on show!!! Let's make it good.**

The club had the first run of the Mini-Monte on Sunday, March 21. It was not a very nice day, cold and wet, but some of the brave hearts came out with the top down and shorts on (need I say who) . . . about a dozen cars showed up and did the run and ended up at the Shady Rest for lunch, all in all it was quite a nice get together.

Some other dates to remember, May 16, Empire Day Parade - May 21/22, Van Dusen ABFM - June 6, Genoa Bay run - June 20, Fathers Day picnic - July 11, Shady rest run - July 25, Hornby Island run - August 8, Fish and Duck run - August 22, Salt Spring Island - September 12, Long Beach - September 19, Fort Rodd Hill.

Paul Cummings underwent major surgery in Vancouver on March 1st, he is recuperating at home and we hope to see him strong and healthy at the A.G.M. in May.

On a personal note, many thanks for 'The Man of The Year' trophy, it seems strange to be rewarded for doing something that you really enjoy . . . Norm.

**And The Winner Is!!!!**

So you all thought it was too easy . . . the Mine-Monte that is, well there was only one car that got all of the questions right . . . Norm and Margaret Marshall, congratulations, and the large cash prize is in the mail.
