

August 2018 – Chilliwack BC

1949 Rover P3 6 light saloon
\$25,000

The car has been extensively restored, many photos are available. Currently on collector plates.
Car can be viewed only in Chilliwack BC. Hoist is available for underside inspection. I would prefer a purchaser who can do his own basic servicing, i.e. oil change, plugs and points, adjust the brakes etc.
Please email for more information lafbery@shaw.ca
