1964 MGB
\$40,000

I have what I consider to be the BEST Mk1 MGB out there for sale. I restored her to concours condition in every way. This car was already a survivor car that basically had a cosmetic restoration. Metal repair, fresh paint and refurbishing of original parts. This car is as shiny underneath as it is on top. Original parts, original interior etc. She's won awards, she drives like a dream - she's the ultimate early MGB.
