4.2L twin carb, Automatic transmission. Complete car, Good glass, decent interior, Needs paint. Looks decent at a glance- Needs rust repair done on the car. Engine does run on external fuel supply. Was last driven in 2000- Approx 123000 Miles. It has a clean B.C registration. Excellent car for someone to restore or use it for parts. Adam Langelier mklop63@hotmail.com Ph. #250-729-6661
