**1974 MGB**

**\$4,000**

Older restoration but still looks nice. Last of the chrome bumpers, 4sp, not OD.

New Interior, bumpers, tires, grill, wheels have been painted.

Top is in good shape (small tear by rear window), toneau cover.

It should have the floors redone and has some electrical issues. Temp and Gas gauge don't work (relay?), signals don't work and the wipers are intermittent.
