

Jan 2021 – Comox BC

1974 MGB

\$6,200

Bought in 2007, I am the third owner, mileage 87,000 miles. Service records available back to 1976.

Mechanically sound, 4-speed manual transmission, runs beautifully, professionally maintained. Spent 31 years in Alberta, 5 years on Vancouver Island, always garage storage in winter.

Improvements since 2007: New rear springs, kingpins, transmission mounts, tires, brakes, brake master cylinder, battery, exhaust system, new plugs, wires and condenser, sundry cosmetic improvements.

Original exterior paint (Blaze Red – looks orange) and original black interior, in good condition.

A great dependable daily driver as is, or you could make more cosmetic improvements.
