

August 2018 – Kamloops BC

1974 Triumph Spitfire 1500
\$5,000

- New tires
- New clutch
- New starter motor

This is a very nice spitfire and is in great shape. The car has overdrive and an aftermarket hard top. Some tlc is required on the interior, but other than that it needs nothing and is fully drivable as is. Recent work as indicated above. More pictures available.
