

1976 MG Midget \$7500.00 Qualicum Beach, BC 82,707 miles

This is not a project car, she is fully functional. Restored in 2009, English white. \$ 3000.00 work done by Sussex Automotive in Parksville in 2016. Detailed invoices available on request but included a full tune up, brakes, shocks, thermostat, hub seals and a bunch of other work. Runs great. The only thing she doesn't like to do is shift down from 3rd to 2nd, other than that everything works just fine. Soft top in great condition. Lots more pics on request. Collector status. **Karen 604-999-3605 kpockett@yahoo.com**
