1977 MGB
\$13,500

I am selling my 1977 mgb to make way for an MGA, I have pretty much done everything I can think of, I was a BLM mechanic. In the day and I am still a practicing mechanic I'm asking \$15,000 or reasonable offer, call me to find out more, there's lots of goodies with this car and way too much to list here Thanks Ken
